From Vice-Chancellor's Desk

Someone has rightly said "The Greater the Obstacle, The More Glory in Overcoming It". The pressure of adversity is the most powerful sustainer of accountability. This rule holds good for entire universe and similar is how RAJUVAS began its journey and still continuing on the path of animal welfare, overcoming different obstacles successfully. In other words I'd say it is just similar to walk on a slippery slide, a slight stagnation will bring you down i.e. for a university to flourish there should be consistent addition to confer development. For last six years of its establishment, team RAJUVAS has been consistently working hard to achieve the goals. Strong financial base has been established and annual turnover has increased to 150 crores which are 10 times of initial, reflecting the capability and

requirements of the University which state administration has realized. This university is unique in its kind that it has prepared its road map for 2050 and has started working on it as well. We have identified various areas of resource generation so as to increase the income and face the upcoming challenges boldly. We have efficiently implemented skill development programme of GOI by training 12 thousand people in animal husbandry sector and are looking forward to train even more in future. Transmission of the techniques and research at grass root level is not so easy but RAJUVAS has also made this possible by visit of scientists to different villages under MGMG programme. Current ranking of RAJUVAS has highlighted the University and thus many eyes will trace our progress at national level. RAJUVAS will come out as a Brand name on national scenario in coming years.

(A. K. Gahlot)

Moment of Pride

Extension to Prof. A.K. Gahlot as VC, RAJUVAS

RAJUVAS will continue to get services of Vice-Chancellor Prof. (Dr.) Col. A.K. Gahlot for one more year as Hon'ble Chancellor and Governor of Rajasthan Sh. Kalyan Singh issued order for this on 28th June, 2016. Vice-Chancellor Prof. A.K. Gahlot was welcomed by RAJUVAS Faculty on the way after getting a one-year extension. The entire faculty congratulated Prof. Gahlot for this honour. Overwhelming welcome was given to Vice-Chancellor Prof. A.K. Gahlot by the students, non teaching and teaching staff of RAJUVAS.

RAJUVAS Ranked in 100 TOP Universities of India

Under the dynamic leadership, the visionary approach and the boost provided by Vice-Chancellor Prof. A.K. Gahlot RAJUVAS has showed its strength in all aspects and at national level also. The National Institutional Ranking Framework (NIRF), Ministry of Human Resources Development, Govt. of India, New Delhi has declared the ranking of Universities in India and RAJUVAS got following in this:

- ❖ RAJUVAS is third amongst the Veterinary Universities of the country.
- ❖ RAJUVAS is second amongst the all state Universities in Rajasthan.
- ❖ In Teaching, Learning & Resources (TLR) parameter RAJUVAS is 6th in India amongst all the Universities.

Overall, RAJUVAS is ranked 97 out of 744 universities in India, which is the youngest University among all. The National Institutional Ranking Framework (NIRF) outlines a methodology to rank institutions across the country with parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception". India Rankings – 2016 based on this framework were released on 4th April 2016 by Smriti Irani, Hon'ble Minister for Human Resource Development, MHRD, Govt. of India.

Activities

Evaluation of Goat Farming Based Livelihood Programme of CmF by RAJUVAS

The Centre for Microfinance project of economic upliftment of goat farmers of western Rajasthan will be evaluated by the RAJUVAS. The Government of Rajasthan has authorized Centre for Microfinance (NGO) to implement this project in 6 very backward sections of Jodhpur division with the financial support of International fund for Agricultural Development and Tata Trust. This project includes the BPL families of around one thousand villages, who were trained to earn their livelihood by goat farming. A workshop was organized on 13th April 2016 under the Chairmanship of Vice-Chancellor Prof. A.K. Gahlot for effective evaluation of this project. The workshop was attended by Ms. Varsha Mehta, Team leader of SAPPLSPP, Mr. Kumar Ranjan, GM of CmF, Sh. Rubab

Aajam, Project Officer-CmF, Dr. Umesh Agarwal, OSD to VC, Jaipur, Dean- Directors, and all the Incharges of VURTCs. Prof. R.K. Dhuria, Director Extension Education organized this workshop.

What's New?

Operation Theater for Ophthalmic Surgery in Animals

An advance operation theater for small animal eye surgery was inaugurated on 30th May, 2016 by Sh. Shambhu Dayal Badgujar, Chairman, Rajasthan Khadi and Gram Udyog. He visited TVCC and appreciated the work done. Vice-Chancellor Prof. A.K. Gahlot informed about the facilities developed by RAJUVAS for ophthalmic surgery (Phaco Surgery) in animals. These advanced techniques are at par with those used for human eye surgery. Dr. Praveen Bishnoi, Head Department of Surgery and Dr. Suresh Jhirwal, Incharge Eye Surgery, Dean- Directors and other faculty members were present on this occasion.

Mobile App for Calculation of the Doses of Medicines

Dr. Hemant Joshi, Assistant Professor, Department of Veterinary Anatomy, CVAS, Navania, developed a Mobile App for calculation of the doses of medicines given to the wild animals for the treatment. This app calculates the dose of medicine very accurately on the basis of allometric scaling.

Buck Semen Cryopreservation and AI in Sirohi Goat

Semen collection, cryopreservation and artificial insemination in Sirohi goat is first time started at CVAS, Navania. The elite buck semen is collected by using Artificial Vagina while keeping estrus doe in the travis as a dummy. Normally, 0.7 to 1.0 ml semen is collected in the AV and examined for the mass motility, sperm concentration and progressive motility. The sample having mass motility of grade +4 and progressive motility more than 80% is further processed for the cryopreservation by conventional method. Artificial Insemination of the doe in heat is performed by the Trans-Cervical method. The insemination of the goat with frozen semen would be useful not only for commercial breeders interested for genetic improvement of their stock, but also for small producer who cannot afford a breeding buck of their own. Dr.

R.K. Nagda, PI of AICRP on Sirohi Goat and Dr. C.S. Saraswat initiated this work in Sirohi goat.

Increase of Stipend for PG & Ph. D Students

During the Budget announcement Hon'ble Chief Minister of Rajasthan Smt. Vasundhara Raje announced that stipend of veterinary (PG & Ph. D) student will be increased from 5 thousand to 10 thousand rupees per month, acceptance of which has already been given by state government. First tranche of rupees 148 lacs has been given to Veterinary University in this regard.

Prof. A.K. Gahlot, Vice-Chancellor attended 12th State level SCLC meeting of RKVY at Jaipur on 23rd June, 2016.

New Delhi: VCI Meeting

Prof. A.K. Gahlot, Vice-Chancellor attended 56th meeting of Veterinary Council of India at New Delhi on 27th June, 2016.

Participations in Professional Activities

- ❖ Dr. R.K. Nagda, Dean, CVAS, Navania attended Scientist Meet of AICRP on Goat at Mannuthy, Kerala on 11-12, May 2016.
- ❖ Dr. R.K. Dhuria, Director Extension Education attended National symposium on Concepts of one health in canine health care management organized by ISACP and CVAS, KVASU, Pookode, Wayanad, Kerala from 27-29 April, 2016.
- ❖ Dr. Manju, Asstt. Professor, Deptt. of Animal Nutrition, CVAS, Navania participated in Summer School Training on Technological advances and productive strategies in organic agriculture and their internalization with agro ecosystem held at MPUAT, Udaipur from 1-21 June, 2016.
- ❖ Dr. Deepika Goklaney, Assistant Professor, CVAS, Bikaner attended National symposium on Concepts of one health in canine health care management organized by ISACP and CVAS, KVASU, Pookode, Wayanad, Kerala from 27-29 April, 2016.
- ❖ Dr. Praveen Bishnoi, Assoc. Prof. & Head, VSR, CVAS, Bikaner attended scientific review meeting of AINP-DIMSCA at TANUVAS, Chennai on 27th June, 2016.
- ❖ Dr. S.K. Jhirwal, Co-PI and Asstt. Prof., VSR, CVAS, Bikaner attended scientific review meeting of AINP-DIMSCA at TANUVAS, Chennai on 27th June, 2016.

M.V.Sc./ Ph.D. Awardees

Twenty students were awarded provisional degree certificates of M.V.Sc./ Ph.D. during 1st April to 30th June, 2016 by RAJUVAS. The University congratulates all of them and wishes best for their bright future.

S. No.	Title of Thesis	Name of Department	Name of Advisor	Name of student
1.	Characterization of <i>Escherichia coli</i> isolated from wild animals living in captivity	Veterinary Microbiology	Dr. B.N. Shringi	Ritu Middha
2.	Molecular typing of COA, SPA, HIA and CAP (CAP5 and CAP8) genes in <i>Staphylococcus aureus</i> isolates from skin wound in dromedary	Veterinary Microbiology	Dr. B.N. Shringi	Kapil Gupta
3.	Clinical study on diagnosis and treatment of various surgical affection of fore stomach in bovines	Veterinary Surgery & Radiology	Dr. Praveen Bishnoi	Manoj Kumar
4.	Comparative evaluation of various performances traits and lactation curve models in Rathi cattle	Animal Genetics & Breeding	Dr. Urmila Pannu	Dipti Sohal
5.	Clinico-biochemical, biomarkers, hormonal and therapeutic study of ketosis in cows	Veterinary Clinical Medicine, Ethics and Jurisprudence	Dr. D.K. Bihani	Vikas Kumar Meena
6.	Epidemiological studies on gastrointestinal helminthoses of small ruminants in Bikaner	Veterinary Parasitology	Dr. G.S. Manohar	Rohit Kumar
7.	Epidemiological studies on gastrointestinal helminthoses of dairy animal in Bikaner	Veterinary Parasitology	Dr. G.S. Manohar	Kapil Kumar Renwal
8.	Epidemiological studies on gastrointestinal helminthoses of camels in Bikaner	Veterinary Parasitology	Dr. G.S. Manohar	Vijay Choudhary
9.	Evaluation of mortality, morbidity pattern and economical losses in Magra sheep in arid zone of Rajasthan	Livestock Production and Management	Dr. V.K. Choudhary	Shrutikant Rana
10.	Blood biochemical parameters in response to lactation stress in Sahiwal cattle.	Veterinary Biochemistry	Dr. Meenaxi Sareen	Priyanka Nehra
11.	Evaluation of performance of diallel cross of Kadaknath, RIR and Black Australorp by Griffing's and Hayman's approach	Animal Genetics & Breeding	Dr. Rajeev Joshi	Ajay Singh Dewna
12.	Clinical, haemato-biochemical, therapeutic and molecular evaluation of canine Ehrlichiosis.	Veterinary Clinical Medicine, Ethics and Jurisprudence	Dr. D.K. Bihani	Jyoti Yadav
13.	Gross and histological studies on the tongue of Large White Yorkshire pig (<i>Sus scrofa</i>)	Veterinary Anatomy and Histology	Dr. Sanjeev Joshi	Dharma Ram Choudhary
14.	Study of genetic diversity of Marwari and Sindhi breed of horse through microsatellite markers.	Veterinary Biotechnology	Dr. B.N. Shringi	Neha Gaur
15.	Development of rapid and sensitive test for identification of bovine mastitis associated pathogens	Veterinary Microbiology	Dr. S.K. Kashyap	Anjali Kumari Gangwal
16.	Detection of genetic variability among <i>Staphylococcus aureus</i> isolates from various clinical and non-clinical animal and human settings in relation to some virulence factors	Veterinary Microbiology	Dr. A.K. Kataria	Sandeep Kumar Sharma (Ph.D.)
17.	Effect of feeding hydroponics maize fodder on nutrient utilization efficiency in Rathi calves	Animal Nutrition	Dr. R.K. Dhuria	Rupal Dadhich
18.	Blood biochemical parameters in response to pregnancy stress in Kankrej cattle	Veterinary Biochemistry	Dr. Anil Moolchandani	Gajraj Singh
19.	Gross and histological studies on the spleen of Large White Yorkshire pig (<i>Sus scrofa</i>)	Veterinary Anatomy and Histology	Dr. Sanjeev Joshi	Nikhil Shringi
20.	Bacteriological profile of bio-medical waste and assessment of the efficacy of autoclave and incinerator	Veterinary Public Health	Dr. Rakesh Rao	Soni Kurpaben Kamlesh Kumar

Students Activities

Participation in Amratam Jalam Campaign

Students of CVAS, Bikaner, NCC Cadets and NSS volunteers along with the staff of RAJUVAS participated in the "Amratam Jalam Campaign" which is an initiative of Rajasthan Patrika to build water ponds in Sareh Nathania cow pasture land on 14 April, 2016.
