From Vice-Chancellor's Desk

It gives me immense pleasure and a feeling of pride that "ICT Institutional Award -2016 for the use of Teaching-Digital Technology" was given to RAJUVAS by Pearl - A Foundation for Education Excellence of Madurai, Tamilnadu due to being the best in the implementation of digital technology and e-governance measures in teaching, research and extension works. It has become a University that gives the e-Governance by practising Integrated University Management System to accelerate digital India. Foundation has also awarded "Water Conservation-Management Practices Award-2016" to RAJUVAS for rain water conservation work in the main premises of Bikaner campus. RAJUVAS has prepared a water storage project for about 10 lakh litres of rain water conservation, which is a model for the state. In view of the remarkable contributions made by the University in the agricultural scenario, "Excellent Agricultural Institutional Award-2016" was also presented to RAJUVAS. The best Vice-Chancellor Award was also given to me by Pearl Foundation due to untiring efforts of team RAJUVAS and all this has been achieved by the team work of each and every one from the RAJUVAS family. These awards were given by the Pearl Foundation in the National conference of "Smart Summit-2016" organized in Madurai on 10th December, 2016.

This quarter had been eventful in the sense that Hon'ble Governor of Rajasthan and Chancellor Sh. Kalyan Singh inaugurated the ambitious toll free helpline service of RAJUVAS on 16th November 2016. The problems of farmers and the cattle farmers will be resolved through direct talks with the concerned veterinary specialists. By this toll-free number, farmers, livestock and students will be able to get the solution of their curiosity and doubts by talking to experts, teachers or officials of RAJUVAS at any time of twenty-four hours. Examination, admission or other academic information for students will also be accessible through this.

The another great step of the University was that, the symbol of Aan, Ban and Shaan of the Country, a 100 feet high and huge national flag was ceremonially hoisted at RAJUVAS. The flag was hoisted by selecting appropriate place on the directives of the Hon'ble Governor and the State Government. The entrance of RAJUVAS and the flagging site is being transformed into an ideal place, which will always inspire the nation and become a center of attraction. The fluttering tricolour in the sky will keep giving us a message of nationalism every moment. It will give inspiration of the nation's devotion, and sacrifice to the youth and common citizens of Bikaner. I congratulate all the faculty members for their untiring efforts in the year 2016. I wish you all a very Happy New Year 2017.

(A. K. Gahlot)

Inauguration of RAJUVAS Toll-Free Helpline Service by Hon'ble Governor of Rajasthan and Chancellor Sh. Kalyan Singh at Jaipur

Activities

Participation in Global Rajasthan Agritech Meet, Jaipur (GRAM-2016)

Thousands of farmers and animal owners visited and appreciated the RAJUVAS Animal Show, Smart Farm, Jajam Chaupal and Exhibition stall of RAJUVAS, on all three days from 9-11 November at GRAM-2016, which was organized by the State Government showcasing the latest innovative techniques in the field of agriculture, machinery and livestock etc. All Deans-Directors, students, faculty members from CVAS, Bikaner, Navania and PGI-VER, Jaipur also participated in large number in GRAM. Vice-Chancellor Prof. A.K. Gahlot also addressed the audience on 10th November in the conference organized on the theme of Sustainable Livelihood through Animal Husbandry and Dairying. During the GRAM, Sh. Prabhulal Saini- Hon'ble Minister of Agriculture and Animal Husbandry released the Special issue of Pashupalan Naye Aayam for GRAM. Sh. Gulab Chand Kataria- Hon'ble Home Minister released the booklet on Nutritious Animal Feed Azola for livestock. Prof. R.K. Dhuria, Director Extension Education was Nodal Officer of GRAM for RAJUVAS.

RAJUVAS Animal Show

Best animals of RAJUVAS reared on Livestock Research Stations viz., Tharparkar and Malvi Indigenous cattle, RAJUVAS Broiler, Khakhi Campbell & White Pekin Duck and Turkey were also the major attraction of farmers in GRAM.

RAJUVAS Technology Demonstration in Smart Farm

Under the Smart Farm, Livestock Feed Resource Management and Technology Centre, RAJUVAS exhibited their four technologies in GRAM. The hydroponics machine demonstrated the new technology of green fodder production without soil. The crop of barley, maize, wheat grass and nursery of paddy, sewan and sugarcane produced by hydroponics technology were shown to the farmers. Farmers showed keen interest in the method of Azola production. Silage making and urea molasses mineral block making machine was also a major attraction for the farmers.

Jajam Chaupal on Animal Husbandry, Veterinary and Dairy

Thousands of farmers and cattle-breeders attended the Jajam Chaupal organized by RAJUVAS on the theme Animal Husbandry, Veterinary and Dairy. This Jajam Chaupal was organized by RAJUVAS in collaboration with NRCC, Bikaner, NRCE, Bikaner and CSWRI, Avikanagar. Sh. Gulab Chand Kataria- Hon'ble Home Minister, Sh. Rajendra Singh Rathore- Hon'ble Minister of Medical & Health, Dr. Ram Pratap-Hon'ble Minister of Water Resources, Sh. Arun Chaturvedi- Hon'ble Minister of Social Justice and Empowerment, Smt. Kiran Maheshwari- Hon'ble Minister of PHED and Sh. Ajay Singh-Minister of State for Co-operatives heard problems of animal owners and resolved their doubts while staying for full-time on different days.

Participation in Suraj Pradarshani

Directorate of Extension Education arranged an exhibition in Suraj Pradarshani organized on 13-17 December, 2016 at Medical College ground, Bikaner, in view of the successful completion of three years of State Government. In this exhibition, new techniques and innovations in animal husbandry were shown to farmers and other people by RAJUVAS. Hon'ble Chief Minister Smt. Vasundhara Raj visited the RAJUVAS exhibition and was appraised of the activities. Vice-Chancellor Prof. A.K. Gahlot briefed the activities of University to Hon'ble CM well taken for livestock owners of Rajasthan. Hon'ble Chief Minister Smt. Raje released a Documentary film on Hydroponics Technology prepared by Prof. R.K. Dhuria on this occasion.

Inauguration of Farmers Training Centre

Sh. C.R. Choudhary, Hon'ble Minister of State for Central Food, Consumer Affairs and Public Distribution, Govt. of India formally inaugurated the training centre of Establishment of Live Demonstration Models of Diversified Livestock Production Systems on 7th October, 2016. This training facility for farmers' community has been developed with the cost of 5 lacs under RKVY plan. On this occasion, PI of the Centre Dr. Basant Bais and Dr. C.S. Dhaka narrated the activities. Prof. G.S. Manohar- Dean CVAS, Bikaner welcomed the Chief Guest.

Bhoomi Pujan at LRS, Dug (Jhalawar) by Hon'ble CM Smt. Vasundhara Raje

Hon'ble Chief Minister of Rajasthan Smt. Vasundhara Raje visited the Livestock Research Station, Dug (Jhalawar) on 16th December, 2016. Hon'ble CM visited Malvi Cattle Breeding Farm and observed the qualities of Malvi cattle in Jhalawar belt. Vice-Chancellor Prof. A.K. Gahlot briefed about the work done for conservation and improvement of Indigenous cattle in Rajasthan State by RAJUVAS. Hon'ble CM Smt. Raje observed the buildings, offices, labs, library and other facilities of the newly established Animal Husbandry Diploma Institute at the station. Bhoomi Pujan was also done on the station in her gracious presence and she also viewed the future road map of the station for further consideration. Sh. Dushyant Singh-Hon'ble MP, Jhalawar, Sh. Yunus Khan, Hon'ble Minister for PWD, Sh. Ramchandra Sunariwal- MLA and Prof. R.K. Nagda, Dean, CVAS, Navania were also present on this occasion. Smt. Raje, Hon'ble CM appraised the activities of RAJUVAS during a public meeting held at LRS, Dug.

Seminar on Agrivision

RAJUVAS in the joint venture with Akhil Bhartiya Vidyarthi Parishad organized a one-day seminar on Agrivision on 19th November, 2016. Students of Veterinary and Agricultural Universities participated in a large number in the seminar on Agriculture and Veterinary Education for Entrepreneurship. There is an abundant possibility of entrepreneurship and self-employment in the field of agriculture and veterinary. Therefore, instead of seeking job, the educated youth should start their venture and should also move towards giving employment to other people. These ideas were expressed by Guests of seminar. Prof. B.R. Chhipa, VC, SAKRAU was Chief Guest. Sh. Sanjay Panchpor-Regional Secretary, ABVP and Sh. Narayan Chopra, Mayor, Bikaner were Guests of Honour. Vice-Chancellor Prof. A.K. Gahlot presided over the function. Prof. G.S. Manohar, Dean CVAS, Bikaner, Prof. S.C. Goswami, DSW and Mr. Lokendra Singh Shekhawat, President, CSU were also present on the dais. In technical session, Dr. Lokesh Gupta-MPUAT, Dr. Satyaveer Meena- SKRAU and Dr. Ashok Khichar- RAJUVAS presented their lead papers on the theme of the seminar. Organizing Secretary and Director Extension Education Prof. R.K. Dhuria expressed gratitude to everyone.

Inauguration of VURTC, Loonkaransar

The building of VURTC, Loonkaransar was formally inaugurated by Sh. Manik Chand Surana, MLA on 11th December, 2016. Chief Guest Sh. Surana said that RAJUVAS has done remarkable work of extension by opening of training centres in 12 districts of Rajasthan. Vice-Chancellor Prof. A.K. Gahlot presided over the function. Sh. Arvind Bishnoi-Comptroller, Sh. M. Ram- Director Works and Prof. S.C. Goswami- DSW were Guests of Honour. On this occasion, Farmers Gosthi and exhibition was also organized by the DEE. Prof. R.K. Dhuria, Director Extension Education and Dr. Ashok Baidna organized this event.

Inauguration of Semen Lab by DDG (AS), ICAR
