Greetings

Prof. Satish K. Garg New Vice-Chancellor of RAJUVAS

Prof. Satish K. Garg joined as new Vice-Chancellor of RAJUVAS, Bikaner on 9th August, 2021 by an order issued from Hon'ble Governor of Rajasthan and Chancellor Sh. Kalraj Mishra. Prof. Garg is an eminent scientist of Veterinary Pharmacology with 35 years of academic and administrative experience. Prof. Garg has worked in Uttar Pradesh Pandit Deen Dayal Upadhyaya Vishwavidyalaya Evam Go Anusandhan Sansthan, Mathura for more than ten years as Dean of Veterinary College. Prior to joining as Vice-Chancellor, he was working as Registrar in Bihar Animal Science University, Patna. Speaking on the occasion, Prof. Garg said that RAJUVAS is the second university in the country after Tamilnadu Veterinary University, whose area of operation is the entire state. RAJUVAS has made all-round progress in a short span of its establishment and has become a leading university. He said that it would be his endeavour to achieve efficiency and quality in teaching and research work. Vice Chancellor Prof. Garg said that he would endeavor to expeditiously implement RAJUVAS academic, research and extension work with his 35 years of academic and administrative experience. The research projects will be designed keeping in view the local climate and livestock conditions so that the livestock owners can get direct benefits. The Dean-Director of the University, officers, all the teachers, non-teaching staff and students have welcomed and congratulated Prof. Garg as Vice-Chancellor.

From Vice-Chancellor's Desk

Dear Readers,

It is a matter of immense pleasure for me to be a part of Rajasthan University of Veterinary and Animal Sciences, Bikaner as its Vice Chancellor. In terms of credentials, the University has a long list of achievements and feathers in its cap. The most recent being the opening of Dairy Science and Technology College in Bikaner and Dairy and Food Technology College in Bassi, Jaipur as two more new constituent colleges of RAJUVAS in which we started the academic programmes from the academic session 2021-22 with the support of state Government. With the addition of these colleges, now RAJUVAS has attained the status of multi-faculties Universities. RAJUVAS has made all-round progress in a short span of its establishment and has become a leading state university. It would be my endeavour to ensure efficiency and quality in teaching and research work. Rajasthan has mainly livestock-based livelihood resources; thus emphasis will be given on providing skills based trainings to vets, paravets, rural youth and farmers to improve veterinary and animal husbandry services. I would endeavour to expeditiously implement academic, research and extension programmes in RAJUVAS taking advantage of my 35 years of academic and administrative experiences.

I am happy to share that RAJUVAS immediately after my joining received 'District Green Champion Award' of Mahatma Gandhi National Council of Rural Education under the Department of Higher Education, Government of India for outstanding contributions in sanitation, hygiene, waste management, water management, energy management and greenery management. Keeping in mind the interests of livestock owners, farmers and students, the University will have to carry out all its activities in a planned and timely manner by making a future action plan through holistic approach while implementing and monitoring different research projects, promotion entrepreneurship amongst students for self-employment, bring all MOUs in active mode, promote sports and literary activities for student welfare, focus on quality of education, strengthen laboratories for quality research and to provide human resource in line with the new education policy. I appreciate all the faculty members and other officers of University for continuing their academic, research and extension activities even during COVID-19 global pandemic.

I wish and assure you for quality transformation in all activities of University so that it becomes a dynamic and vibrant institution of excellence in the field of veterinary education and research.

(Satish K. Garg)
Vice-Chancellor

University Activities

International Webinar on COVID 19-Where Do We Go from Here to Deal Zoonosis

Pashu Vigyan Kendra, Lunkaransar (Bikaner)

Pashu Vigyan Kendra, Lunkaransar organized 16 online and 6 COVID-19 awareness campaigns during this quarter. Total 908 livestock farmers were benefitted. Dr. Amit Kumar, Assistant Professor, Dr. Pramod Mohata and Dr. Bhanu Prakash, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Ratangarh (Churu)

Pashu Vigyan Kendra, Churu organized 13 online, 7 COVID-19 awareness campaigns, one special day celebration and three on-campus training programmes under Agricultural Technology Management Agency and benefitted 577 livestock farmers. Dr. Ashok Kumar, Assistant Professor, Dr. Sushil Kumar Meena and Dr. Vinay Kumar, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Kumher (Bharatpur)

Pashu Vigyan Kendra, Kumher (Bharatpur) organized 21 online and 5 COVID-19 awareness campaigns during this quarter. Total 549 livestock farmers were benefitted. Dr. Arun Kumar, Assistant Professor, Dr. Munesh Kumar Pushp and Dr. Rohit Kumar Tiwari, Teaching Associates organized these training programmes.

Pashu Vigyan Kendra, Bakalia (Nagaur)

Pashu Vigyan Kendra, Bakalia (Nagaur) organized 18 online, 4 COVID-19 awareness Campaigns and one special day celebration and benefitted 519 livestock farmers. Dr. Mahendra Tanwar, Assistant Professor, Dr. Mahendra Pal Poonia and Dr. Gaurav Kumar Jain, Teaching Associates organized these training camps.

Pashu Vigyan Kendra, Sirohi

Pashu Vigyan Kendra, Sirohi organized 15 online and 5 COVID-19 awareness campaigns during this quarter. Total 457 livestock farmers were benefitted. Dr. Sudeep Solanki, Assistant Professor, Dr. Deepak Gill and Dr. Narasi Ram Gurjar, Teaching Associates organized these training camps.

Pashu Vigyan Kendra, Kota

Pashu Vigyan Kendra, Kota organized 18 online and 9 COVID-19 awareness campaigns during this quarter. Total 658 livestock farmers were benefitted. Dr. Atul Shankar Arora, Assistant Professor, Dr. Nikhil Shringi and Dr. Tripti Gujar, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Tonk

Pashu Vigyan Kendra, Tonk organized 16 online, 7 COVID awareness campaigns and one special day celebration during this quarter. Total 680 livestock farmers were benefitted. Dr. Madan Mohan Mali, Assistant Professor, Dr. Narendra Choudhary and Dr. Rajesh Saini, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Dholpur

Pashu Vigyan Kendra, Dholpur organized 18 online, 9 COVID-19 awareness campaigns and one special day celebration and 678 livestock farmers were benefitted. Dr. Subhash Chand, Assistant Professor, Dr. Pradeep Pal Singh and Dr. Parmal Singh, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Jhunjhunu

Pashu Vigyan Kendra, Bojunda (Chittorgarh) organized 18 online, 12 COVID-19 awareness Campaigns and one special day celebration and 705 livestock farmers were benefitted. Dr. Pramod Kumar, Assistant Professor, Dr. Sukhveer Singh and Dr. Vipin Chandra, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Bojunda (Chittorgarh)

Pashu Vigyan Kendra, Bojunda (Chittorgarh) organized 11 online, 4 COVID-19 awareness campaigns and four on-campus training programmes under ATMA during this quarter. Total 499 livestock farmers were benefitted. Dr. Mukesh Chand Sharma, Assistant Professor, Dr. Mukesh Kumar Meena and Dr. Parmjeet, Teaching Associates organized these trainings.

Pashu Vigyan Kendra, Dungarpur

Pashu Vigyan Kendra, Dungarpur organized 16 online and 4 COVID-19 awareness campaigns in this quarter and benefitted 455 livestock farmers. Dr. Rajesh Singhatia, Assistant Professor and Dr. Virendra Singh, Teaching Associate organized these trainings.

Pashu Vigyan Kendra, Jodhpur

Pashu Vigyan Kendra, Jodhpur organized 14 online, 5 COVID-19 awareness campaigns and five on-campus training programmes under Agricultural Technology Management Agency and 599 livestock farmers were benefitted. Dr. Bhagat Singh Saini, Assistant Professor, Dr. Amit Kumar Chotiya and Dr. Manish Songara, Teaching Associates organized these trainings.

KVK, Nohar (Hanumangarh)

KVK, Nohar organized 3 online trainings, 2 on-campus training, 2 off-campus training, 6 kisan gosthi and 3 field days during this quarter. Total 746 farmers were benefitted. Dr. Manohar Lal Sain, Assistant Professor, Mr. Bheiru Singh, Mr. Akshay Ghintala and Dr. Ramchander Tiwari organized these programmes.

Post-Graduates Research

Fifty-two students completed their Post-Graduated research projects and awarded provisional degree certificates of M.V.Sc and Ph.D. during 1st July to 30th September, 2021.

S.No.	Title of Thesis	Name of Department	Name of Advisor	Name of Student
1.	Effect of Harad (<i>Terminalia chebula</i>) powder as herbal feed additive on performance of broiler chicks	Animal Nutrition	Dr. Dinesh Jain	Chandra Shekhar Godara
2.	Effect of supplementation of Soapnut shell (<i>Sapindus mukorossi</i>) powder as herbal feed additive on the performance of broiler chicks	Animal Nutrition	Dr. Dinesh Jain	Deepak Bhagora
3.	Effect of supplementation of garlic (<i>Allium sativum</i>) powder as herbal feed additive on performance of broilers chicks	Animal Nutrition	Dr. Dinesh Jain	Mahaveer Suthar
4.	Epidemiological studies on gastrointestinal parasitic infections in dairy animals with special reference to bovine coccidiosis of irrigated North Western plain of Rajasthan	Veterinary Parasitology	Dr. Abhishek Gupta	Rakesh Kumar
5.	Studies on the incidence type, prognostic tests and efficacy of different therapeutic approaches for uterine torsion in buffaloes	Animal Reproduction, Gynaecology & Obstetrics	Dr. J.S. Mehta	Amar Singh Saini
6.	Gross and histological studies on the proventriculus and gizzard of white leghorn (<i>Gallus gallus domesticus</i>)	Veterinary Anatomy and Histology	Dr. Pankaj Kumar Thanvi	Priyanka
7.	Body condition score versus metabolic and antioxidant profile of Marwari sheep from the arid tract of Rajasthan during extreme cold ambience	Veterinary Physiology	Dr. Sunita Pareek	Babita Kumari
8.	Study on milk ability, dairy temperament and udder characteristics in Indian dromedary camel	Animal Genetics and Breeding	Dr. Manju Nehara	Manoj Kumar
9.	Evaluation of Tiletamine-zolazepam anesthesia in dogs – a clinical study	Veterinary Surgery and Radiology	Dr. Sakar Palecha	Nilam
10.	Clinical and retrospective study on diverse surgical disorders in Camels (<i>Camelus dromedarius</i>)	Veterinary Surgery and Radiology	Dr. Sakar Palecha	Kamal Kishor
11.	Effect of zinc and gold nano particles on cooled and post thaw quality of stallion semen	Animal Reproduction, Gynaecology & Obstetrics	Dr. J.S. Mehta	Tipu Sultan
12.	Clinico-pathological studies of kidney dysfunctions in dogs with special reference to sdma assay	Veterinary Pathology	Dr. Rohitash Dadhich	Anjana Godara
13.	Clinico-therapeutic studies on ruminal acidosis in goats	Veterinary Clinical Medicine, Ethics and Jurisprudence	Dr. Dharm Singh Meena	Chanchal Kala
14.	Effect of hot-humid and cold season on hematological and biochemical parameters in Sirohi goat	Veterinary Physiology	Dr. G.S. Gottam	Dinesh Maruti
15.	Studies on biochemical and hematological parameters due to seasonal variation in Sirohi goat	Veterinary Biochemistry	Dr. Barkha Gupta	Mahipal Singh Nathawat
16.	Molecular characterization of <i>Seudomonas aeruginosa</i> from poultry with reference to antibiotic resistance	Veterinary Microbiology	Dr. Sandeep Kumar Sharma	Pushendra Singh Rathore
17.	Cytological and histopathological studies on cutaneous and subcutaneous neoplastic masses of dog (<i>Canis familiaris</i>) in Jaipur District	Veterinary Pathology	Dr. Sarjna Meena	Sunil Kumar Jangid
18.	Studies on dynamics of gastrointestinal nematodes of goat in semi arid Rajasthan	Veterinary Parasitology	Dr. Bhavana Rathore	Upkar Chaudhary
19.	Sequencing and analysis of NLRP6 gene of Camel (<i>Camelus dromedarius</i>)	Veterinary Biochemistry	Dr. Narendra Singh Rathore	Bhagraj Godara
20.	Study of milk production genes and their association with production reproduction traits in Rathi Cattle	Animal Genetics & Breeding	Dr. Urmila Pannu	Hemlata Chouhan (Ph.D.)
21.	Studies of renal failure in dogs with special reference to ultra sonography	Veterinary Clinical Medicine, Ethics & Jurisprudence	Dr. Jitendra Bargujar	Praveen Meena
22.	Study on haemato- biochemical analysis of different types of colic in indigenous horses	Veterinary Biochemistry	Dr. Narendra Singh Rathore	Gagan Deep Singh
23.	Molecular characterization of TLR-2 gene in Bikaneri camels	Veterinary Biochemistry	Dr. Narendra Singh Rathore	Ram Kumar Gahlot
24.	Effect of addition of lyophilized heterologous seminal plasma and colostrum to semen extender on cooled and post thaw stallion semen quality	Animal Reproduction, Gynaecology & Obstetrics	Dr. Ashok Kumar	Rajendra Mehra
25.	Effect of herbal feed additives garlic (<i>Allium sativum</i>) and black pepper powder (<i>Piper nigrum</i>) on growth performance and nutrient utilization in broilers	Animal Nutrition	Dr. Monika Joshi	Om Prakash Nagar
26.	Effect of <i>Moringa oleifera</i> leaf meal with or without multi enzyme as feed additive on growth performance and carcass characteristics of broiler chicks	Animal Nutrition	Dr. Tribhuwan Sharma	Mahendar Singh Meel (Ph.D.)
27.	Development and quality assessment of chia seed, mulethi and green tea incorporated chicken nuggets	Livestock Products Technology	Dr. Arun Kumar	Pavan Kumar Damor
28.	Molecular detection of <i>Theileria annulata</i> and bio control of its vector by entomopathogenic nematodes in cattle of Udaipur (Rajasthan)	Veterinary Parasitology	Dr. Hakim Manzer Alam	Sanweer Khatoon (Ph.D.)
29.	Effect of L-arginine and trehalose supplementation to semen extender on quality and fertility of cryopreserved stallion semen	Animal Reproduction, Gynaecology & Obstetrics	Dr. Sunanda Sharma	Dinesh Kumar (Ph.D.)
30.	A study on occurrence and pathology of urinary system of cattle in Jaipur	Veterinary Pathology	Dr. Vikas Galav	Narendra Kumar Nogia
31.	Ultra-sonographic evaluation of internal structures of eye in dogs	Veterinary Surgery and Radiology	Dr. Yogendra Pal Singh	Madhu Kumari
32.	Studies on toxicopathology of imidacloprid in poultry and its amelioration with cow urine distillate	Veterinary Pharmacology and Toxicology	Dr. Amita Ranjan	Laxmi Narayan Sankhala (Ph.D.)

S.No.	Title of Thesis	Name of Department	Name of Advisor	Name of Student
33.	Studies on prevalence of gi nematodes and haematological changes in cattle and buffalo in Udaipur, district (Rajasthan)	Veterinary Parasitology	Dr. Hakim Manzer Alam	Robin Singh
34.	Studies on the status of Babesia and Anaplasma species in cattle of Udaipur (Rajasthan)	Veterinary Parasitology	Dr. Sanweer Khatoon	Sandeep Kumar
35.	Effect of supplementation of garlic (<i>Allium sativum</i>) powder as feed additive on nutrient utilization and growth performance in goats	Animal Genetics & Breeding	Dr. P.C. Sharma	Sunil Kumar Meena
36.	Effect of dietary supplementation of Giloy (<i>Tinospora cordifolia</i>) Stem powder and Neem (<i>Azadirachta indica</i>) leaves powder along with different bedding materials on performance of Japanese quail	Livestock Production & Management	Dr. S.C.Goswami	Gaurav Pargi
37.	Effect of dietary supplementation of Giloy (<i>Tinospora codifolia</i>) stem powder and Moringa (<i>Moringa oleifera</i>) leaves powder along with different bedding materials on performance of broilers	Livestock Production & Management	Dr. Arun Kumar Jhirwal	Anita
38.	Characterization of thermo-physiological and molecular changes in response to heat stress in Sahiwal and Kankrej cattle of hot arid region	Livestock Production & Management	Dr. Vijay Kumar	Gayatri Gujar (Ph.D.)
39.	Occurrence and pathology of various conditions of kidney in Pig (<i>Sus scrofa domesticus</i>)	Veterinary Pathology	Dr. Indu Vyas	Shobha Burdak
40.	Pathomorphological and enzymatic analysis in liver of sheep (<i>Ovisaries</i>)	Veterinary Pathology	Dr. Manisha Mehra	Pradeep Makawana
41.	Study on efficacy of Neem based formulation for treatment of sarcoptic mange in camels (<i>Camelus dromedarius</i>)	Veterinary Clinical Medicine, Ethics & Jurisprudence	Dr. Sunita Choudhary	Tej Prakash Atal
42.	A study on b-mode echobiometry of intraocular structures in cattle calves.	Veterinary Surgery and Radiology	Dr. Suresh Kumar Jhirwal	Vidya Bai Meena
43.	Characterization of some most important bacterial pathogens and their genes for virulence associated with bovine subclinical mastitis in Sirohi (Rajasthan)	Veterinary Microbiology	Dr. Deepak Kumar Sharma	Sudeep Solanki (Ph.D.)
44.	Effect of Diosmin and Hesperidin supplementation on haematological and serum-biochemical profile in donkey (<i>Equus asinus</i>)	Veterinary Pharmacology and Toxicology	Dr. L. N. Sankhala	Suvidhi
45.	Profiling of some virulence and antibiotic resistance associated genes in <i>Escherichia coli</i> isolates from Egyptian vultures (<i>Neophron perdnopterus</i>) at Jorbeer conservation reserve, Bikaner	Veterinary Microbiology	Dr. Taruna Bhati	Khushboo Panwar
46.	Evaluation of single and combined effect of antibiotics and some antimicrobial peptides on biofilms of <i>Staphylococcus aureus</i> and <i>Escherichia coli</i> isolates	Veterinary Microbiology	Dr. Taruna Bhati	Sanju Ritod
47.	Evaluation of antibacterial activity of selected plant extracts against <i>Corynebacterium pseudotuberculosis</i> isolated from <i>Camelus dromedarius</i>	Veterinary Pharmacology and Toxicology	Dr. Amita Ranjan	Jeeshan Nabi
48.	Knowledge and adoption level of cattle owners about animal welfare practices in Jhunjhunu district of Rajasthan.	Veterinary & Animal Husbandry Extension	Dr.Devi Singh Rajput	Sonu Shekhawat
49.	Performance and prospects of clinical services rendered by veterinary clinical complex, RAJUVAS, Bikaner among Livestock owners	Veterinary & Animal Husbandry Extension	Dr. Neeraj Kumar Sharma	Renu Meena
50.	Effect of ethanolic extract of Giloy (<i>Tinospora cordifolia</i>) on seminal quality of Magra Ram during cooled storage	Animal Reproduction, Gynaecology & Obstetrics	Dr. Sumit Prakash Yadav	Nikhil Pal Bajia
51.	Computed radiographic (CR) assessment of the vertebral heart scale (VHS) and cardiothoracic ratio (CTR) to measure the heart size of German Shepherd dogs	Veterinary Surgery and Radiology	Dr. Satyaveer Singh	Usha Kumari Ninama
52.	Clinical diagnosis, categorization, surgico-therapeutic treatment and rehabilitation of large downer animals	Veterinary Surgery and Radiology	Dr. P. Bishnoi	Subhash Garu (Ph.D.)
