From Vice-Chancellor's Desk

Dear Readers,

Convocation means perfection of student with knowledge and education which leads to transformation of a person from human to super-human. University conducted its fifth convocation on 29th April, 2022. Convocation ceremony is a very important occasion in every student's life. It is that day in one's academic life when he/she cherishes success of his/her hard work, dedication, commitment, and enthusiasm and when sees that dreams of their parents have become reality who had supported them in their difficult endeavors and their not-so-little kids get their hard-earned education degrees. Hon'ble Governor of Rajasthan and Chancellor of RAJUVAS, Shri Kalraj

Mishra during his presidential address motivated the students to do hard work in their field of specialization to serve the society, especially poor of the poorest. Since it is the era of transformations, information and communication technology and newer and newer developments in science are taking place, students have to be aware about all these and keep pace with the technology. Animal husbandry in rural areas is still an important source of income for farmers. In times of famine and other natural calamities, livestock is the only source of income in villages. Therefore, it is necessary that research work should be continuously undertaken in the field of veterinary and animal science in an endeavor to increase the local income along with conservation of native livestock breeds. These words were expressed by Hon'ble Governor of Rajasthan Shri Kalraj Mishra during his speech on occasion of fifth convocation of RAJUVAS.

This University is making all endeavor for imparting quality education to ensure professional and entrepreneurial skills among graduate and post-graduate veterinarians. Emphasis is being given on undertaking need based research to address issues related to animal health and production to benefit farmer community of state with improved technology and conservation and propagation of quality germ plasma under to enable common livestock owners to become more and more self-reliant.

We will continue strive in this direction for producing skilled human resource, improving quality of veterinary services, evolving need based technology for transformation of animal husbandry sector through conservation and propagation of improved germ plasm for wellbeing of farming community.

Once again congratulations to all degree and medal recipients and best wishes for their future endeavors.

(Satish K. Garg)
Vice-Chancellor

University Activities

Fifth Convocation of RAJUVAS

The fifth convocation of the RAJUVAS was held on 29th April, 2022 in the university's auditorium. Hon'ble Governor of Rajasthan and Chancellor Shri Kalraj Mishra joined the convocation through online mode and presided over the function. Hon'ble Minister of Agriculture and Animal Husbandry Sh. Lalchand Kataria and Deputy Director General (Agriculture Education), ICAR, New Delhi Dr. Rakesh Chandra Agrawal was special guests of the convocation. Prof. A.K. Srivastava, Chairman, ASRB, New Delhi was convocation guest of the programme. In this convocation, 217 graduate degree, 167 postgraduate and 39 Ph.D degrees were awarded to students. A total of 35 meritorious students were decorated with gold medals, 2 students with Chancellor's gold medals and one student each with silver and bronze medals. Hon'ble Governor and Chancellor Shri Kalraj Mishra read the preamble of the Constitution and the Fundamental Duties, which all the participants repeated in their mind. Hon'ble Governor said that RAJUVAS is one of the leading universities of the country and it should have such efforts for specialized quality education so that it becomes a separate identity in the world. Agriculture and Animal Husbandry Minister Shri Lalchand Kataria said that veterinary education, research and extension programme are being run by the RAJUVAS in most of the districts of the state, which are useful and inspiring for the farmers and livestock owners of the state. Delivering the convocation address, Chairman of ASRB, Prof. A.K. Srivastava said that multinational companies, industries, banks, educational institutions, administrative and there are many opportunities available in the field of research. You all have to be a part of "Glory of India". We should play an important role in strengthening animal husbandry awareness vaccination and disease diagnostics services. Vice-Chancellor Satish K. Garg welcoming the guests and presented the progress report of the university. Special guest Deputy Director General (Agriculture Education), ICAR Dr. Rakesh Chandra Agrawal also delivered his speech. On this occasion, the member of the Board of Management Prof. A.K. Gahlot, Prof. P.K Shukla (Mathura), Dr. Amit Nain, Mr. Ashok Modi, Sh. Purkha Ram, Smt. Krishna Solanki, Academic Council Members, Vice-Chancellor Bikaner Technical University, Bikaner Prof. Ambarish S. Vidyarthi, Directors of ICAR institutes, Dean Directors of RAJUVAS, faculty members and students were present.

Vice-Chancellor said that the Pashu Vigyan Kendra and Krishi Vigyan Kendra under RAJUVAS provided training, disease diagnosis services, advisory services so that economic self-reliance is being encouraged to farmers. The Vice-Chancellor informed that the livelihood of more than 50 percent people in the state is on animal husbandry based occupation. For economic up-gradation of livestock owners, they have to be motivated for entrepreneurship by providing short and long term training. Director Extension Education Prof. R.K. Dhuria, while presenting the progress report for the years 2020-21 and 2021-22, explained the activities conducted by all the centers in detail. Prof. D.S. Daiya, DEE, LUVAS, Hisar, praising the extension activities and programmes being run by RAJUVAS and suggested cooperation from NABARD and other funded institutions for trainings. Dr. Dinesh Bhonsle (Pune), MD, RCDF representative Dr. B.L. Vishnoi, Deputy Director, Animal Husbandry Department, Dr. Om Prakash also expressed their views. Comptroller Dr. Pratap Singh Poonia, Dean and Faculty Chairman Prof. R.K. Singh, Dean-Director, Head of Department and Officer Incharges of Krishi Vigyan Kendra and Pashu Vigyan Kendra were present.

What's New

New Gymnasium Inaugurated

Vice-Chancellor Prof. Satish K. Garg inaugurated the new gymnasium for the students at CVAS Bikaner on 4th April, 2022 and said that sports and exercise should be a regular and important part of life for the all round development of the students. Students and teachers should keep themselves healthy by using these facilities regularly. This new gymnasium has been equipped with modern facilities like trade meal, multi-station, indoor exercise, cycle, bench press, pull-up and push-up bar etc. On this occasion Dean Prof. R.K. Singh and DSW Prof. S.C Goswami, Sports Incharge Dr. Praveen Pilania, Deans-Directors, teachers and students were present.

Celebrations

13th Foundation Day of RAJUVAS

CVAS, Bikaner

The 13th Foundation Day of RAJUVAS was celebrated on 18th May 2022. The Chief Guest of the programme Prof. Rakshapal Singh, Vice-Chancellor SKRAU, Bikaner said that this university has made a different place not only in the state but in the entire country in a short span of time. It is a matter of pride for us that the students of this university are working in various high positions in other universities and institutes of repute in the country. The quality education imparted by this university to the students has a global name. Addressing as the chief guest, Prof. Ambarish Sharan Vidyarthi, Vice-Chancellor, BTU appreciated the work done veterinary university. He encouraged the students to be humble as well as adopt moral values and for all round development. Vice-Chancellor of RAJUVAS Prof. Satish K. Garg welcomed all the guests and said that the university has established its units in 22 districts of the state in a short span of time. He said that the livelihood of 60 percent people of the state is based on animal husbandry. We have to take the university to the highest peak keeping in mind our achievements as well as the challenges. We have to pay special attention to employment-oriented education, quality research and economic animal husbandry. The book 'Basic Animal Breeding' written by Dr. Pramod, was also released by the guests. Prizes were awarded to the winners of debate competition, essay writing competition and quiz competition organized on the occasion of the foundation day of the university. At the beginning, welcome address was delivered by Prof. Hemant Dadhich, and Vote of thanks was given by Prof. R.K. Dhuria, Director Extension Education. Dr. Pratishtha Sharma conducted the programme. Blood donation camps were organized on the occasion in all the three constituent colleges of University. University's first lady Mrs. Manju Garg boosted the morale of the students by donating blood. Under the leadership of Dr. Kuldeep Mehra and Dr. Kaluram Meghwal, senior doctors of PBM hospital's blood bank, 75 units of blood were donated from CVAS Bikaner and total 195 units from different units of RAJUVAS.

CVAS, Navania
