About the Training

The course is designed to impart applied knowledge to veterinary professionals about the management of various types of limb and jaw bone fractures in pet animals using orthopaedic pinning, plating, and wiring internal fixation techniques. Good number of orthopaedic cases in pet animals are being routinely presented in the clinics of Department of Veterinary Surgery and Radiology, CVAS, Bikaner for their surgical treatment. The department has expertise and is equipped with all equipments needed in different internal fracture fixation techniques.

Course Breakup

Date & Day	Time	Theory	Practical
25-03-2025 (Day 01)	09.00 AM	Inauguration and Introduction to the Training	Dr. P. Bishnoi
	10.00 AM	Applied Surgical Anatomy of Thoracic and Pelvic limbs and Jaw Bones	Dr. Pankaj Thanvi
	11.00 AM	Surgical Approaches for internal fracture fixation of various limb and jaw bones in small animals	Dr. A.K. Bishnoi
	03.00 AM	Demonstration of Orthopaedic Instruments	Dr. A.K. Bishnoi
26-03-2025 (Day 02)	10.00 AM	Fracture diagnosis, classification, biomechanics, and process of fracture healing	Dr. Mahendra Tanwar
	11.00 AM	Use of Orthopaedic Pinning and wiring techniques for Fixation of various Limb bone fractures in Small Animals	Dr. A.K. Bishnoi
	03.00 AM	Demonstration of Orthopaedic Pinning and Wiring Techniques in Fractures of Limb and Jaw Bones	Dr. A.K. Bishnoi
27-03-2025 (Day 03)	10.00 AM	Use of Bone Plates and Screws for internal fixation of various limb bone fractures in Small and Large Animals	Dr. P. Bishnoi
	11.00 AM	Techniques of external immobilization in various orthopaedic affections in small animals.	Dr. Sakar Palecha
	03.00 AM	Demonstration of Bone Plating and Screwing Techniques in Fractures of Limb and Jaw Bones	Dr. A.K. Bishnoi

Eligibility:

Any veterinarian in Government/Private sector/Post graduate student may apply.

Intake Capacity

Maximum 20 participants

Fee

Rs. 5000 as training fee only payable to **PI, AINP on DIMSCA, RAJUVAS, Bikaner**

Boarding, Lodging & TA

The boarding and lodging facilities will be provided by university on payment basis.

Last date to Apply: March 25, 2025

Send typed applications by email to the Course Director. The application should clearly mention the following

- 1. Name, Designation and Recent photograph
- 2. Complete postal address and Email
- 3. Do you have basic knowledge of Laparoscopic surgery
- 4. Accommodation required or not required
